Main Library Renovation kicks off this month!

Construction for the Capital Improvement Bond-funded Main Library renovation begin at the end of January, and staff are busy preparing for this wonderful opportunity to improve our Main Library.

The base renovation project costs came back within the budget, and staff is discussing with the Library Commission opportunities to find additional funding for enhancements to the base project to meet the community's vision.

At the Library Commission meeting tonight (6 p.m. at Meadows Branch), staff will talk with commissioners about plans for a construction kickoff event the week of January 20th. More information will be announced soon, and in the Jan. 22 BPL Now e-newsletter.

This renovation project will also include space for a new cafe on the Bridge, and the Request for Proposals (RFP) document will be released at the end of this month.

Stay informed via this newsletter and the renovation project website.
Many of our events are generously co-sponsored by the Boulder Library Foundation.

Overheard at BPL...

"I overheard a little girl come off the computer in the children's area and complain to her mother, 'Mom, I am mad at the computer.' The mom replied quickly, 'Good, Go find a good book. It won't make you angry.' "

-- Melanie, Children's Library

"I love Jeanette Walls, I would love to have a cup of coffee with her and an entire morning to chat. Although this was not historical fiction as her other two books, it still kept me captivated with the characters. If anyone knows her will you tell her that I need to talk to her?"
