BPL designated a Family Place Library!

Thanks to funding awarded by the Institute of Museum and Library Services (IMLS), the Boulder Public Library has been designated a Family Place Library. As a Family Place Library, BPL will be a center for early childhood information, parent education, early literacy and family support. A key feature of the Family Place Library is its welcoming space offered to children and their parents, where families can interact and play, and parents can share experiences and learn from each other. Library staff are also available to provide assistance and support for early literacy skill building. Stay tuned!

Carnegie indexes 65 years of Camera archive

Volunteers at the Carnegie Branch Library recently completed the reorganization and indexing of 96 drawers of clippings files from the archives of the Daily Camera. The collection was given to Carnegie in January 2010. This two year project included over 1600 volunteer hours, 4000 file folders and 3000 envelopes. With a $2,000 grant from the Community Foundation, supplemented by matching money from the Boulder Public Library Foundation and Boulder Public Library, Camera project manager Barbara Buchman and her volunteers transformed the clippings into an easily accessible collection documenting life in Boulder from 1930-1995. The index will eventually be accessible on the

“Just wanted to let you know that the Powerspeak language classes are AMAZING!!! They are the best idea, and my already positive feelings about Boulder Library have turned to total adoration! Thanks for providing this wonderful tool. Three members of my family are using it actively to learn three different languages.”

**"Some Kind of Fairy Tale"**

by Graham Joyce

"Tara Martin returns to her home and family after an unexplained, 20-year absence. What really happened to her, and where has she been? I loved the juxtaposition of the real with the seemingly unreal, and was completely drawn in by the warmth and humanity of Tara’s familial circle."
